

## PRESS RELEASE

### **Orlando International Airport and Interchange agree five year contract renewal**

*Orlando, 23rd January, 2017:* The International Interchange Group ('Interchange'), one of the leading foreign exchange providers in the world, is pleased to start the New Year with the news that a five year contract extension from 21<sup>st</sup> December 2017 has been agreed with Orlando International Airport, the gateway to Disney World, Epcot, Universal Studios and America's greatest concentration of entertainment parks.

Interchange has been the sole provider of currency exchange services at the Orlando Airport in Florida since December 2012, and currently it operates four branches at this popular airport with more than 40 million annual passengers passing through its terminals.

Robert Tokolyi, Director of the company's US Operations, commented on this success: „ *By winning a tender in 2012 and opening branches at the Orlando International Airport, Interchange was able to enter the challenging US market. By agreeing a five year contract renewal, we have proven that we are regarded as a trustworthy and high quality service provider on the competitive US market.*”

Interchange is presently operating on four continents, 14 countries and at eight international airports. In addition to Orlando International Airport, the Group also provides foreign exchange services at the airports in Budapest, Prague, Vienna, Nice and three international airports in Poland.
